

MINUTES OF THE 11TH MEETING OF THE EXECUTIVE COMMITTEE UNDER WEST BENGAL STATE CAMPA HELD ON 30/10/2013. (through circulation)

Following decision taken in 9th Meeting of Executive Committee proposal was initiated to the Forest Department for opening of savings bank account in the name of implementing DFO, which is under active consideration of the Government. The respective DFOs have started submitting their requisition of fund along with the required estimates which have been scrutinized by the state CAMPA and in cases where the same is found correct, cheques have been issued to the DFOs. But it is seen that the DFOs are not able to utilize the fund as the Government order for opening of bank account is yet to be issued.

In order to facilitate implementation of work program, it is hereby resolved that DFOs may be advised to open the required savings bank account in a nationalized bank in the name of "The Divisional Forest OfficerDivision (CAMPA)" at their Headquarter and deposit the CAMPA cheque with it. The a/c of each division towards CAMPA fund will be kept separately from the Government a/c in terms of the guidelines issued by the GOI. The account will be jointly operated by the concerned DFO and ADFO of the Division after observing all provisions of WB Financial Rules and WB Treasury Rules and WB Forest Manual (Part II). The detailed accounting procedure will be circulated to them in due course.

The above minutes is circulated to all members of the Executive Committee for their consideration and signature as desired by the Chairman of the Committee.
